

CAMMINO MINERARIO DI SANTA BARBARA

FEEL YOUR STEPS

The Mining Pathway of Santa Barbara. Hiking, pilgrimages, art, culture and local products.

Walking in the most ancient land of Italy, between sea, mountains, mines and memory throughout eight thousand years of history.

Along The Mining Pathway of Santa Barbara that runs for almost 400 km from the mountains to the sea through the ancient mining paths into the area of Sulcis Iglesiente Guspinese will be offered, together with tours and

pilgrimages, a traveling workshop about contemporary art, local food and wine.
